★ Denotes a mandatory completion for all incoming Aggie Veterans..

**STEP  
1**

*VERIFY YOUR  
MILITARY STATUS*

To utilize the robust programs and services available to Aggie Veterans at TAMU, you **MUST** be recognized in the student information system as "veteran verified" aka "VETV".

What does this mean? Military Admissions must receive documentation verifying service. This can be a DD-214, current orders, LES, or other documents respective to your service status. Being verified also ensures you will receive timely and essential communication! Haven't submitted any of those documents to the University, yet? Go ahead and [get them submitted here!](#) Unsure of your VETV status? Email your name and UIN to [aggievets@tamu.edu](mailto:aggievets@tamu.edu).

**STEP  
2**

*COMPLETE ONLINE  
ORIENTATION*

During Online Orientation, you will be asked to identify if you are a military student. Doing so will allow you to access specialized content that will prepare you for your New Student Conference and your arrival at Texas A&M. Be sure to identify so you do not miss this valuable experience!

**STEP  
3**

*COMPLETE  
YOUR PAR*

"WHO am I"... "Why am I here?" The VET+MAP Program empowers you to answer those two critical questions. Over the course of your first-semester, this one-of-a-kind program guides you in developing a Purpose-to-impact (P2i) plan for your life. To begin your P2i journey you need to discover your Purpose Alignment Rating. [Answer 5 simple questions to reveal yours!](#)

**STEP  
4**

*MILITARY STUDENT  
SESSION (NSC)*

Join us in the VRSC on Day 1 of your New Student Conference for the Military Student Session. This **mandatory** session will include a quick but detailed workshop to prepare you for your next step in the transition process and a tour of the facility by fellow Aggie Veterans. *This session is required for incoming undergrad Aggie Veterans & highly encouraged for all incoming graduate Aggie Veterans.*

**STEP  
5**

*VET  
CAMP*

The final **mandatory** step in the transition process, Vet Camp, is a two-day event that provides crucial knowledge, combining it with hands-on practice and camaraderie that will empower you for a successful and impactful higher education experience. This event features essential workshops, customized campus tours, a family-friendly evening social, and ends with an optional academic boot camp for those interested.
