

Pocket Pantry

The VRSC has an in-house Pocket Pantry, offering non-perishable food and personal hygiene items at no-cost to veteran and military students. Students are encourage to use the pantry as often as they need.

In addition to items offered through the pantry, Student Assistance Services offers additional food resources and can provide limited access to frozen foods and other items such as formula or diapers for parenting students.

Emergency Funding

The VRSC's SAVE fund provides emergency financial assistance to students who have found themselves in a difficult situation. Eligible students can receive one-time funding of up to \$1500, dependent upon their situational need. More information on the fund can be found in the Military Student Hub of Canvas or you can contact our office.
